

**March 6, 1961**

Dear Mr. Drummond:

I have your letter of February 28, with regard to my remarks at the Bullock Forum. Unfortunately, I spoke only from random notes and have no recorded, or other text, of my remarks. I am, however, appreciative of your interest and possibly some time when you are in Washington, we could have a word together about Communist strategy.

Sincerely yours,

**AWD:at**
